

# Free/Reduced Lunch Application Instructions

IF POSSIBLE, COMPLETE YOUR APPLICATION ONLINE BY GOING TO OUR WEBSITE

[www.freedomprep.net](http://www.freedomprep.net)

1. Once on our website, click on the “*Campuses*” tab, then “*Common Links*” then “*Aspire - SIS*”

*NOTE:* If you applied last year, you have a user account that is still valid. Use that username and password.

2. If you have not already done so, please create a parent account by clicking on “*request username and password*.” You will be prompted to enter your child’s SIS lunch number and birthday.

(Contact the front office if you don’t know your child’s SIS lunch number.)

This will link you to your child’s student information and allow you to create your own username and password.

3. Once you have completed this process, you will need to logout, and then log back in using your username and password. You will be able to apply for free and reduced lunch.

4. Click on student’s name, then click on the application link and follow the prompts.

For security purposes you must create/have your own username and password to apply.

If you don’t have access to a computer, please pick up a paper application from the front office.

Otherwise, please make every effort to apply online as this will expedite the application process.

KINDERGARTEN students who qualify for FREE benefits will be able to receive free milk daily through the Special Milk Program. Kindergarten students DO NOT qualify for benefits through the breakfast or lunch programs. As required by USDA, students may only participate in one federal program as determined by the school. Because we have half-day kindergarten, we have chosen the Special Milk Program for our Kindergarten students.
