

Freedom Preparatory Academy Bus Rider Agreement and Route Info

Safety

Safety is our primary concern for every child. Therefore, every precaution will be taken to make sure each child arrives at their destination safely. This can only be accomplished if we have the cooperation of both student and parent.

Students will assume responsibility for their behavior, and the expectations outlined in the parent student handbook will be followed.

Regulations

Note: Students riding the bus will have same expectation of behavior as at school.

- Students are under the authority of the school bus driver and/or bus aide.
- Students shall remain seated while the bus is in motion.
- Students will enter the school bus, go directly to their seat and remain there until leaving the bus.
- All students riding the bus must have a signed bus rider agreement prior to riding and carry and show their bus pass.

Consequences:

Riding the bus is a privilege. There is a high expectation for behavior on the bus. Students may receive the following consequences for misbehavior on the bus.

- Verbal warnings may be given.
- Level one write-up. This may include a conference with an administrator.
- A level two or three write-up will require a conference with administration, the student and parent(s). The result may include suspension from riding the bus or a loss of bus privileges for the school year. Parents will be responsible for transportation which may include fieldtrips. Any paid fees may be forfeited.

Instructions to sign up:

Read the bus rider agreement, complete the credit card authorization form and Bus Information form. Turn them in at the bus sign up day or to the front office after that day. Cost is \$40/ month for the first rider in the family and \$5 for additional family members not to exceed \$55.

Note: We are providing a bussing option as a service. It is the responsibility of parents and students to be on time. If a student misses the bus it is the parent's responsibility to provide transportation. Plan ahead. If you need your student to not ride the bus, be sure they know ahead of time. With the exception of an emergency, the front office may not be able to contact students to give them messages about pick up instructions. It is time consuming and disrupts precious class time.
